

Honor Ride 2026

Team Toolkit

Thank you for registering for the 2026 Easterseals Redwood Honor Ride!

This event raises awareness and funds for our Military & Veteran Services (MVS) program, THE resource for our region's military, veterans, and families.

In the Honor Ride 2026 toolkit, you will find all the information you need to create a team, spread the word, and stay on track for the big event!

Here's how your support makes a difference in the lives of local veterans in our community:

- \$60 is a "Got your six" investment in coaching a veteran on their needs and goals as they transition from military to civilian life
- \$100 is an investment in emergency assistance (utilities, fuel, groceries) for a veteran
- \$250 invests in job coaching for TWO veterans
- \$500 is an investment in one week of educational training for a veteran
- \$1,000 invests in the Easterseals MVS Resource Line for one week

Because of YOUR support, we are able to carry out our mission of taking care of our tri-state military, veterans and their families.
